

COVID-19 Statement

Dear Neighbors, Community members and Community Partners

CSAGSS'S 'Food-Pantry@ Morning side', continues to service clients during this challenging time for our community. We are strictly following Public Health Ontario guidelines and taking additional precautions to keep our employees, volunteers and clients safe. In addition to regular cleaning and disinfection practices we are implementing social distancing measures at our Foodbank, located at 90 Mornelle court. We are working to create a program to reach our most vulnerable clients in time of social isolation with a vision "***Food is basic human right, and no one must go hungry***".

Our food bank is currently open regular hours on Saturdays 2:00 pm. We have regular our hours of operation from 2:00pm to 4:00 pm. In support of social distancing, we have temporarily suspended the shopping model and are creating hampers for our clients that are distributed outside the Hub (with no access to the building)

We ask that all clients receiving hampers, keeping a safe distance (6 feet) from one another. Our staff will be opening the rear door of the Larger Community room (Rear of the 90 mornelle building) to provide hampers at the door, no advance sign-up is needed. We ask for your support and cooperation during this time while we implement these changes.

If you are experiencing symptoms of COVID-19 we ask that you stay home. If you are **seniors**, unable to leave your home for health reasons or are in self-isolation due to other circumstances please contact us at info@csagss.org or Call 647-762-4670 and we will arrange delivery for you with our partners. we ensure that we help our seniors and elderly who are affected more.

We want to thank our Community partners, amazing community, donors and volunteers who have exhibited extraordinary kindness, compassion and generosity during this challenging time.

We expect to see an influx of clients in the coming weeks and months and ask that you consider donating if you can.

TOGETHER WE CAN WIN...
